### ADMISSIONS LOTTERY INFORMATION

Under the Illinois Charter schools law we are required to have a public lottery drawing. We host three separate lotteries; one for each campus within our network. All students chosen in the 2012-2013 lotteries must successfully complete the 8<sup>th</sup> grade and comply with the enrollment procedures. All families will be notified via US mail of the lotteries results within one week following the lotteries. Students not chosen in the lotteries will be placed on a wait list. If additional seats become available in the freshmen class, we will offer admission to wait listed students in the order they were placed on the wait list. Any non-respondent families will forfeit their student's acceptance or waitlist status.

**I certify that this applicant is a resident of the City of Chicago and was enrolled in the 8<sup>th</sup> grade during the 2011-2012 school year.**
