

100% LEGACY

For the 10th year in a row, 100% of Urban Prep graduates have been accepted to college.

For the tenth year in a row, 100% of the graduates from Urban Prep's Englewood, West and Bronzeville campuses have been accepted to four-year colleges and universities.

On May 15th, seniors announced their college choices at Urban Prep's College Signing Day on Chicago's Daley Plaza. Traditionally, National Signing Day refers to the day when high school seniors sign their letters of intent indicating the college teams they will join. For Urban Prep, it's not about students' athletic intent, but rather their academic commitment to attend and complete college. Upon announcing their choices, the seniors donned caps representing their colleges to the thunderous applause of classmates, family, friends and onlookers.

The ceremony included a presentation from Top of the World Hats, the company that donates the hats for each Signing Day event. A TOWS representative presented a scholarship award to Mr. Keirre Purches who was admitted to 34 colleges and universities—the most of any senior across the network. The Urban Prep Englewood Campus senior plans to enroll in Indiana State University in the fall.

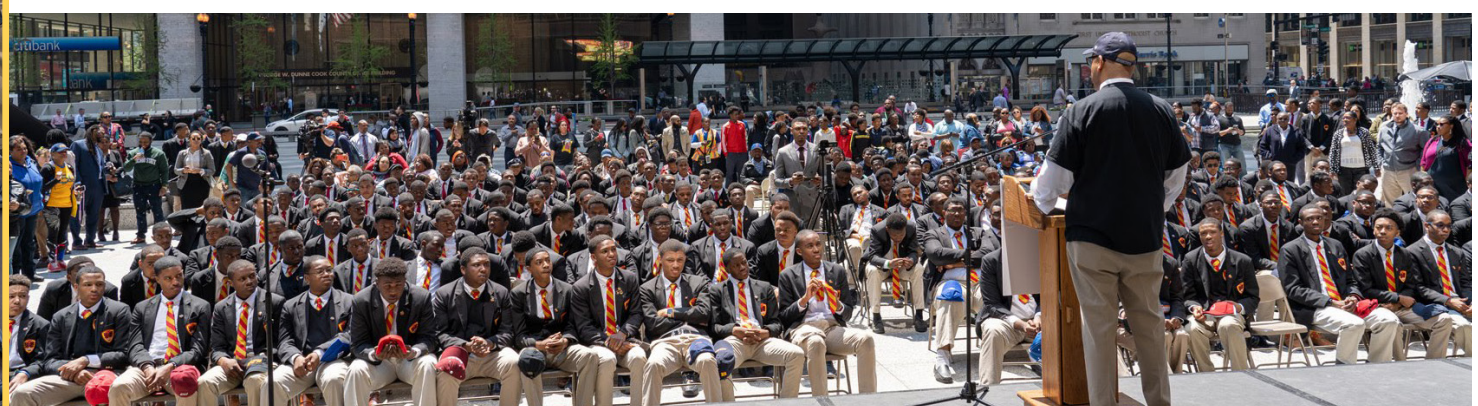

Over the past ten years, 1,700 Urban Prep seniors have received over 11,000 college admissions letters. Many of those Urban Prep alumni returned for the event to support their younger "brothers." Members of the Class of 2019 have been accepted to over 160 colleges and universities and received over \$10 million in scholarships and grants to date. These young men and their hard work continue to fulfill Urban Prep's 100% Legacy!

"Urban Prep's legacy is not just one of 100% college acceptance; it is also about college completion and career readiness. Urban Prep graduates outpace Black males in college enrollment, persistence and completion, both locally and nationally. Once they earn their degrees, some return to work at Urban Prep and others go on to careers in industries including healthcare, finance, advertising, communications, IT, social work, music and entrepreneurship. That's Urban Prep's legacy."
